IMPORTANT TERMS OF OUR HOME EQUITY APPLICATION DISCLOSURE

This disclosure contains important information about our New Home Equity Line of Credit (HELOC) (the "Plan" or the "Credit Line"). You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS. All of the terms of the Plan described herein are subject to change. If any of these terms change (other than the ANNUAL PERCENTAGE RATE) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you paid to us or anyone else in connection with your application.

SECURITY INTEREST. We will take a security interest in your home. You could lose your home if you do not meet the obligations in your agreement with us.

POSSIBLE ACTIONS. Under this Plan, we have the following rights:

Termination and Acceleration. We can terminate the Plan and require you to pay us the entire outstanding balance in one payment, and charge you certain fees, if any of the following happens:

- (a) You commit fraud or make a material misrepresentation at any time in connection with the Plan. This can include, for example, a false statement about your income, assets, liabilities, or any other aspect of your financial condition.
- (b) You do not meet the repayment terms of the Plan.
- (c) Your action or inaction adversely affects the collateral for the Plan or our rights in the collateral. This can include, for example, failure to maintain required insurance, waste or destructive use of the dwelling, failure to pay taxes, death of all persons liable on the account, transfer of title or sale of the dwelling, creation of a senior lien on the dwelling without our permission, foreclosure by the holder of another lien or the use of funds or the dwelling for prohibited purposes.

Suspension or Reduction. In addition to any other rights we may have, we can suspend additional extensions of credit or reduce your credit limit during any period in which any of the following are in effect:

- (a) The value of your dwelling declines significantly below the dwelling's appraised value for purposes of the Plan. This includes, for example, a decline such that the initial difference between the credit limit and the available equity is reduced by fifty percent and may include a smaller decline depending on the individual circumstances.
- (b) We reasonably believe that you will be unable to fulfill your payment obligations under the Plan due to a material change in your financial circumstances.
- (c) You are in default under any material obligation of the Plan. We consider all of your obligations to be material. Categories of material obligations include, but are not limited to, the events described above under Termination and Acceleration, obligations to pay fees and charges, obligations and limitations on the receipt of credit advances, obligations concerning maintenance or use of the dwelling or proceeds, obligations to pay and perform the terms of any other deed of trust, mortgage or lease or the dwelling, obligations to notify us and to provide documents or information to us (such as updated financial information), obligations to comply with applicable laws (such as zoning restrictions).
- (d) We are precluded by government action from imposing the annual percentage rate provided for under the Plan.
- (e) The priority of our security interest is adversely affected by government action to the extent that the value of the security interest is less than 120 percent of the credit limit.
- (f) We have been notified by governmental authority that continued advances may constitute an unsafe and unsound business practice.
- (g) The maximum annual percentage rate under the Plan is reached.

Change in Terms. We may make changes to the terms of the Plan if you agree to the change in writing at that time, if the change will unequivocally benefit you throughout the remainder of the Plan, or if the change is insignificant (such as changes relating to our data processing systems).

Fees and Changes. In order to open and maintain an account, you must pay certain fees and charges.

Lender Fees. The following fees must be paid to us:

Description	Amount	When Charged
Life of Loan Flood Determination:	\$1.00	At Account Opening
Processing Fee:	\$10.00 - \$102.00	At Closing

Late Charge. Your payment will be late if it is not received by us within **16 days after the "Payment Due Date" shown on your periodic statement**. If your payment is late we may charge you 5.000% of the unpaid amount of the payment or \$15.00, whichever is less.

Third Party Fees. You must pay certain fees to third parties such as appraisers, credit reporting firms, and government agencies.

These third party fees generally total between \$1.00 and \$225.00. We estimate the breakdown of these as follows:

Description	Amount	When Charged
Credit Report:	\$5.00 - \$20.00	At Account Opening
Recording:	\$24.00 - \$175.00	At Account Closing
Title Search:	\$75.00 - \$150.00	At Account Opening
Appraisal:	\$250.00 - \$500.00	At Account Closing
Flood Determination:	\$11.00 - \$15.00	At Account Opening

PROPERTY INSURANCE. You must carry insurance on the property that secures the Plan.

MINIMUM PAYMENT REQUIREMENTS. You can obtain advances of credit during the following period: 10 years (the "Draw Period"). After the Draw Period ends, the repayment period will begin. You will no longer be able to obtain credit advances. The length of the repayment period is as follows: 10 years. Your Regular Payment will be based on a percentage of your outstanding balance, including principal and unpaid interest, as shown below or \$50.00, whichever is greater ("First Payment Stream"). Your payments will be due monthly.

<u>Range of Balances</u>	<u>Maximum Number of Payments</u>	<u>Regular Payment Calculation</u>
\$999,999.00 and Under	120	1.000% of your outstanding balance

Your "Minimum Payment" will be the Regular Payment, plus any amount past due and all other charges.

A change in the ANNUAL PERCENTAGE RATE can cause the balance to be repaid more quickly or more slowly. When rates decrease, less interest is due, so more of the payment repays the principal balance. When rates increase, more interest is due, so less of the payment repays the principal balance. If this happens, we may adjust your payment as follows: your balance at the beginning of the next payment stream may be increased. Each time the ANNUAL PERCENTAGE RATE increases, we will check to see if your payment is sufficient to pay the interest due. If it is not, your payment will be increased by an amount sufficient to cover all accrued FINANCE CHARGES.

After completion of the First Payment Stream, your Regular Payment will be based on your outstanding balance as shown below or \$50.00, whichever is greater ("Second Payment Stream"). Your payments will be due monthly.

<u>Range of Balances</u>	<u>Maximum Number of Payments</u>	<u>Amortization Period</u>
\$999,999.00 and Under	120	120 payments

Your "Minimum Payment" will be the Regular Payment, plus any amount past due and all other charges.

HOME EQUITY APPLICATION DISCLOSURE (Continued)

A change in the ANNUAL PERCENTAGE RATE can cause the balance to be repaid more quickly or more slowly. When rates decrease, less interest is due, so more of the payment repays the principal balance. When rates increase, more interest is due, so less of the payment repays the principal balance. If this happens, we may adjust your payment as follows: your final payment may be increased. Each time the ANNUAL PERCENTAGE RATE increases, we will review the effect the increase has on your Credit Line Account to see if your payment is sufficient to pay the interest due. If it is not, your payment will be increased by an amount sufficient to cover all accrued FINANCE CHARGES.

In any event, if your Credit Line balance falls below \$50.00, you agree to pay your balance in full.

MINIMUM PAYMENT EXAMPLE. If you made only the minimum payment and took no other credit advances, it would take 14 years and 1 month to pay off a credit advance of \$10,000.00 at an ANNUAL PERCENTAGE RATE OF 4.000%. During that period, you would make 120 monthly payments ranging from \$45.10 to \$100.34. then you would make 49 monthly payments ranging from \$41.83 to \$100.00.

TRANSACTION REQUIREMENTS. The following transaction limitations will apply to the use of your Credit Line:

Credit Line Home Equity Line of Credit Check, In Person Request, Debit Card, ATM Access and On Line Banking Limitations. The following transaction limitations will apply to your Credit Line and the writing of Home Equity Line of Credit Checks, requesting an advance in person, using a debit card, using an Automated Transaction machine ("ATM") access card and accessing by other methods.

Other Transaction Requirements. There is no minimum advance amount.

TAX DEDUCTIBILITY. You should consult a tax advisor regarding the deductibility of interest and charges for the Plan.

VARIABLE RATE FEATURE. The Plan has a variable rate feature. The ANNUAL PERCENTAGE RATE (corresponding to the periodic rate), the amount of the final payment, and the minimum payment amount can change as a result. The ANNUAL PERCENTAGE RATE does not include costs other than interest.

THE INDEX. The annual percentage rate is based on the value of an index (referred to in this disclosure as the "Index"). The Index is the Prime Rate as published in the money section of the Wall Street Journal. Information about the Index is available or published in the Wall Street Journal. We will use the most recent Index value available to us as of the date of any annual percentage rate adjustment. If the Index is no longer available, we will choose a new Index and margin. The new Index will have an historical movement substantially similar to the original Index, and the new Index and margin will result in an annual percentage rate that is substantially similar to the rate in effect at the time the original Index becomes unavailable.

ANNUAL PERCENTAGE RATE. To determine the Periodic Rate that will apply to your First Payment Stream, we add a margin to the value of the Index, then divide the value by 12 (monthly). To obtain the ANNUAL PERCENTAGE RATE we multiply the Periodic Rate by 12 (monthly). This result is the ANNUAL PERCENTAGE RATE for your First Payment Stream. To determine the Periodic Rate that will apply to your Second Payment Stream, we add a margin to the value of the Index, then divide the value by 12 (monthly). To obtain the ANNUAL PERCENTAGE RATE we multiply the Periodic Rate by 12 (monthly). This result is the ANNUAL PERCENTAGE RATE for your Second Payment Stream. A change in the Index rate generally will result in a change in the ANNUAL PERCENTAGE RATE. The amount that your ANNUAL PERCENTAGE RATE may change also may be affected by the lifetime annual percentage rate limits, as discussed below.

Initial Annual Percentage Rate Discount. The initial annual percentage rate is "discounted"--it is not based on the Index and margin used for later rate adjustments. The initial discounted rate will be in effect for 6 Months. Special Introductory Rate of 3.25% for the first 6 months.

Please ask us for the current Index value, margin, discount and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we send you.

FREQUENCY OF ANNUAL PERCENTAGE RATE ADJUSTMENTS. Your ANNUAL PERCENTAGE RATE can change Monthly. There is no limit on the amount by which the annual percentage rate can change during any one year period. However, under no circumstances will your ANNUAL PERCENTAGE RATE exceed 16.000% per annum or, except for any initial discount period, go below 4.000% per annum at any time during the term of the Plan.

MAXIMUM RATE AND PAYMENT EXAMPLE.

Draw Period. If you had an outstanding balance of \$10,000.00, the minimum payment at the maximum ANNUAL PERCENTAGE RATE of 16.000% would be \$135.89. This ANNUAL PERCENTAGE RATE could be reached at the time of the 6th payment.

Repayment Period. If you had an outstanding balance of \$10,000.00, the minimum payment at the maximum ANNUAL PERCENTAGE RATE of 16.000% would be \$167.50. This ANNUAL PERCENTAGE RATE could be reached at the time of the 1st payment during the repayment period.

PREPAYMENT. You may prepay all or any amount owing under the Plan at any time without penalty.

HISTORICAL EXAMPLE. The example below shows how the ANNUAL PERCENTAGE RATE and the minimum payments for a single \$10,000.00 credit advance would have changed based on changes in the Index from 2000 to 2014. The Index values are from the following reference period: as of first week ending in December. While only one payment per year is shown, payments may have varied during each year. Different outstanding principal balances could result in different payment amounts.

The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during the year. It does not necessarily indicate how the Index or your payments would change in the future.

INDEX TABLE

Year (as of first week ending in December)	Index (Percent)	MARGIN ⁽¹⁾ (Percent)	ANNUAL PERCENTAGE RATE	Monthly Payment (Dollars)	
Draw Period	2002	4.750	0.500	5.250	87.65
	2003	4.000	0.500	4.500	81.82
	2004	4.250	0.500	4.750	75.87
	2005	6.250	0.500	6.750	70.63
	2006	8.250	0.500	8.750	67.09
	2007	8.250	0.500	8.750	64.89
	2008	5.000	0.500	5.500	62.58
	2009	3.250	0.500	4.000 ⁽⁸⁾	58.53
	2010	3.250	0.500	4.000 ⁽⁸⁾	54.99
	2011	3.250	0.500	4.000 ⁽⁸⁾	54.99
Repayment Period	2012	3.250	0.500	4.000 ⁽⁸⁾	54.99
	2013	3.250	0.500	4.000 ⁽⁸⁾	54.99
	2014	3.250	0.500	4.000 ⁽⁸⁾	54.99
	2015	3.500	0.500	4.000 ⁽⁸⁾	54.99
	2016	3.250	0.500	4.000 ⁽⁸⁾	54.99

(1) This is a margin we have used recently; your margin may be different.

(7) This ANNUAL PERCENTAGE RATE reflects a discount that we have provided recently; your Plan may be discounted by a different amount. Under the Plan, the rate caps are tied to the initial discounted annual percentage rate. As a result, under certain interest rate circumstances, conflicts may occur when applying both a rate cap and a discount. In these situations, the values in the Index Table reflect the application of the discount after determination of the rate cap.

(8) This A.P.R. reflects a 4.000 percent floor.
